

2020 Leaders of Tomorrow Awards NOMINATION FORM

NOVA Chemicals, along with various Lacombe community partners, takes great pride in presenting this innovative and exciting youth volunteer recognition program. It exemplifies our passionate commitment to the promotion and recognition of the tremendous contribution volunteers make to our community.

The **LEADERS OF TOMORROW** awards program recognizes students who have made outstanding contributions to their community through volunteerism. By recognizing these exceptional volunteers, the **LEADERS OF TOMORROW** awards inspire other students to give of themselves to benefit the community. Individuals, community groups, educational institutions and voluntary organizations are invited to nominate young people deserving of recognition for their devotion to helping others.

Nominations are accepted in four categories: elementary, junior high, high school, and post-secondary. All nominees will receive a recognition certificate. One outstanding nominee will be selected in each category to receive a **LEADERS OF TOMORROW** award. These awards will be presented at the Leaders of Tomorrow Celebration on April 16th. Nominees and Nominators will receive invitations to this commemorative event.
