

Ponoka Ministry Update

♦
Fall 2024

I'm excited to share this update with you on how the Lord has been moving in the lives of the youth in Ponoka!

I hope you are all doing well. The Lord is sure at work within these youth, growing their knowledge and hunger for more of Him. It has been such a blessing to witness.

This fall, we have three main programs up and running: Life 360 and both a senior and a junior high girls group. Our main program, being Life 360, has been buzzing with lots of kids excited to learn and grow together. We have had the leaders sharing their testimonies each week, and we will continue on a series all about the heart of God and how what you think about God affects how you live your day-to-day life. Our girls groups have been such a sweet time of connection, reading the Bible and having good discussion on what the Lord is teaching each of them. We are currently going through a study on how to feel God when we don't feel like it.

Thank you to those of you who have given or are monthly partners! Your generosity and faithfulness makes such a difference, and I want you to be encouraged and know that your support is helping change the lives of these youth. You are a part of their story, and the impact of your support is evident in the growth they are experiencing. If giving financially is something you feel called to do, I welcome you to scan the following QR code or visit cayu.ca/give and find my name in the drop-down menu. Thank you so much for your partnership in prayer and finances!

Thank you for being here. Your support makes this ministry possible. Thank you so much for playing such an important and crucial role in this ministry. You are in my prayers, and I am so grateful for each one of you.

Blessings,

Kaysey Bajema

My favorite part of these programs have been in a small group setting where kids are able to be comfortable and open up about their own faith walk. It is heartwarming to hear from a couple of youth, who have not had a Christian upbringing, say things like, "I find myself praying more lately" and, "This past year, I've really become a Christian." **It's served as a reminder for me that the gospel is real, it holds so much power, and it really does change lives.** That might sound so simple and obvious, but I've been encouraged in my own faith while seeing these youth turn to the Lord when they haven't grown up or known about him all their life. There really is transformation when in relationship with the Lord, and I am seeing it firsthand through them.

Prayer Requests:

- pray that the Lord continues to reveal himself to these youth who are new to faith
- for our volunteers and leaders to be equipped in the knowledge and wisdom needed to further lead these youth
- for youth to know their hope and wholeness is found in the Lord
